Decision Meeting

Tuesday, April 21, 2026 · 8 action items · 5 decisions

⚠️ **Potential friction detected** between **John** and **Sarah** around the topic of **sarah**. Consider a 1:1 follow-up.

Before we dive in, I want to flag that the backend team is stretched thin. We lost two engineers last month and the remaining team is burning out. I'm concerned about taking on new initiatives without
